

"Tomorrow's Leaders, Today."

Dear Participant of the 4th Annual Youth Assembly at the United Nations,

We all have such nice memories from last year's Youth Assembly and we are so excited to prepare a similar program for the 5th Annual Youth Assembly at the United Nations (August 11th - 14th, 2008)! We know that each and everyone one of you can and will make a difference, you truly are *Tomorrow's Leaders, Today*. We feel that it is our role at the Youth Assembly and Friendship Ambassadors Foundation to facilitate your ability to make your difference. We know it is important for you to be able to stay in touch with your friends from the Assembly and continue to make new ones. Therefore we have partnered with a service called Nexodex.com in order to:

- **Facilitate U.N. Youth Assembly Participants Ability to Stay in Touch.** Remaining connected with other YA participants with the same goals and aspirations will be very powerful.
- **Enable the U.N. Youth Assembly and Friendship Ambassadors Foundation to Stay Connected with You.** We want to be able to include you in the powerful network of YA and FAF alumni.
- **Allow you to Build Your Own Network of Contacts.** Use the service to harness your networks and contacts independent of your affiliations with the YA and Friendship Ambassadors Foundation.

NEXODEX.COM You will receive, within the next few days, an e-mail from Nexodex.com with an invitation to fill out a profile and create an account. There will be no cost to you. By creating an account, you allow us to continue to include you in our U.N. Youth Assembly family.

If you do not receive the invite, please check your e-mail filters – or simply go to Nexodex.com now and create your user account today; it's quick, secure and easy, and a very useful tool to help you to maintain your entire contact book online.

We think this is a great **free** service for our constituents; we hope you feel the same!

All the best,

YA Staff
